

Janis S. DiMonaco, Ph.D., President/CEO, HMC Companies

Dr. DiMonaco is the President and Founder of HMC Companies. HMC Companies (HMC) is a national company offering employee assistance and managed behavioral health care programs, pharmacy benefit management, disease management, wellness and prevention programs, absence/disability management, psychiatric drug management programs, integrated health care management, and other health care cost management programs. Active in the field for more than 30 years, she is responsible for product development, quality improvement programs, marketing, sales, client services and new business development for HMC Companies.

Specializing in Taft-Hartley, public sector and joint labor/management programs, Dr. DiMonaco has been instrumental in integrating HMC programs with other trust fund health care providers resulting in HMC clients having a full-range of seamless “best-in-class” and best practices for health care management services. She is directly involved in the administration, quality assurance, implementation and outcome analysis of integrated health care management programs.

Dr. DiMonaco received her master’s degree and a Certificate of Graduate Study in Guidance and Psychological Services from Springfield College and her Ph.D. in Psychology from California Western University. She was a member of the IFEBP Health Care Services Committee and a frequent presenter at IF conferences and other professional organizations. She is a Licensed Independent Clinical Social Worker (LICSW), a Certified School Counselor, a Certified Vocational/Educational Counselor and a Certified Marriage and Family Therapist.
