

### **Customized Member Portal**

HMC's Member Portal is a single web-based platform for Health & Wellness, benefits enrollment, benefits management and data exchange of all benefits which provides the following:

- A content management system built specifically to support benefit content
- A custom URL to access the portal from the Internet 24 hours a day, 7 days a week through the HMC website
- Content libraries providing authoritative articles and videos on a range of supervisory and benefits topics
- A video library explaining more than 200 terms on a wide variety of topics, including health and wellness, human resources and benefits
- Healthwise Knowledgebase to empower participants with authoritative content, including symptom checker, drug contra indicator tool and a heart score calculator

### **My Wellness Alerts**

My Wellness Alerts™ is a predictive modeling and stratification tool that identifies gaps in care. It also provides wellness notifications and links to a workflow application to provide personalized intervention communications and population health initiative support to targeted plan participants.

### **Why HMC?**
